	Many years ago a man called Joseph had to make a long difficult journey to a town called Bethlehem.	
	He and his wife Mary set off on the long journey. She was pregnant at the time.	
	Mary rode on a donkey.	
	When they arrived, the town was very busy and the only place they could stay was a stable.	
	During the night, a very special baby was born, Jesus.	
	In the fields outside the town were some sheep being cared for by shepherds.	
	Suddenly in the darkness of the night, a bright shining messenger appeared and told them about the birth of the very special child, Jesus.	
	The shepherds left their sheep and rushed to see the special baby.	

Far off in another country, a new star appeared in the sky. Three wise men were studying the stars. They saw the new star and realised that this meant that a great king was about to be born.

They all rushed off to see the new baby.

One of the wise men brought a gift of gold for the baby Jesus.

One of the wise men brought a gift of frankincense for the baby Jesus.

One of the wise men brought a gift of myrrh for the baby Jesus.

What a very strange sight it must have been, all those people coming together to see the new baby! The baby was Jesus, who we still remember today at Christmas and who grew to be the Way, the Truth and the Light of the whole world.
